T.F. County Fair Crowd Total Down

FILER, Sept. 3.—Attendance at the Twin Falls county fair this year took a slight drop from 1954 but total attendance for the four-day rodeo was the largest, in five years, fair officials reported Saturday night as the fair ended for another year. Total paid admissions to the fairgrounds this year were 28,122, which was 800 less than last year. Total attendance for the fairs was 10,763.

Reserve agent tallies had not been made Saturday night.

The officials of the fair worked into the small hours Sunday, compiling reserve results and paying off the remaining debts of the fair, which totalled \$2,600 in general admission tickets sold for the rodeo Saturday night.

For the fair itself, 3,700 persons paid admission to the rodeo Saturday.

On Friday the turnstiles ticked off 9,000 fairgoers. This figure was approximately 1,000 greater than the number who attended on Saturday.

Also on Friday, the rodeo attracted 3,481 general admission spectators.

As the fair was being brought to a close Saturday night, 1,000 people were released and concession stands began to close up shop. The carnival

area at the fair was 810

feet after the first drawing.

At the auction, 1,000 items were used for the second drawing.

In the auction there were 123 items left, and 75 applications for drawings have been sent in the 250 openings, and in Black

17 applications have been

made for the 250 openings.

Private drawings have also

been received by the department for the 15 openings in the Creek hunt, Leland said.

Holiday to Be Quiet for Ike And His Pals

ENVER, Sept. 3 (UPI)—President Eisenhower and a group of golf and tennis players, an squares

and a white horse, will be quiet Saturday morning.

At 8 a.m., the President's motorcade will leave the White House and drive to the golf course.

After a round of golf, the President will return to the White House for a short nap.

He will then go to the White House for a meeting with Vice President Nixon on national security matters.

The White House has declined to say beyond

generalization with respect to

the show.

At his office at Lowry Air Force Base, the President will play golf with a group of friends from East. They and their wives are due to be joined by Mrs. Eisenhower and Mrs. Eisenhower, the weekend the chief executive the first lady have moved the home of his mother, Mrs. E. D. Patterson, to the Brown Palace hotel.

Guests also are staying there,

the playing and quiet relaxation of the day when the pals are put aside.

Eisenhower will interrupt the golf pattern briefly Monday morning to meet with the President and Vice President Nixon on

national security matters.

Idaho's Farm Prices Index Shows Drops

BOISE, Sept. 3 (UPI)—Idaho farm prices were down about 4 per cent in July, the U.S. Department of agriculture's Idaho crop reporting service said.

It listed the August index as 22, based on last year's average.

The new index is 22.04, down 4.2 percent.

Rice prices said lower grain prices

and the fall price of wheat.

The hay price also was down about \$1.50 a ton.

Wheat was 17 cents a bushel lower, corn 10 cents a bushel and barley was down 20 cents a bushel from a month earlier. Dry beans fell 40 cents per hundredweight.

Set New Party

SCHAUMBURG, Sept. 3 (UPI)—A new party was organized here Saturday to campaign for European Saar. West German Chancellor Konrad Adenauer was under fire for publicly urging this step.

The new Free German party called a "yes" vote next month in a state referendum on the Saar under a European commission and retain French political economic control. The Saar has a population of about 600,000.

Adenauer, in a speech at Bochum in West Germany Friday night, appealed to Saarlanders to approve the statute in the Oct. 23 plebiscite.

Former Solon Gets New Job In Federation

HAILEY, Sept. 3—National Highway federation announced this week the appointment of Richard L. Keichbren, former Idaho state senator, as national field director.

Keichbren will assume his duties Sept. 15 and will work out of the national projects office at Elly, Nev. National headquarters are located in Kansas City, Mo.

The first major project on which Keichbren will work is production of a second edition of a brochure, goal of 250,000 copies has been set for the second edition, as the 2,000 copies printed in 1954 proved to be too few.

Tourism will tour the entire route which extends from the Atlantic coast to Washington, D. C., through Canada, Mexico, and San Francisco on the Pacific, addressing civic club meetings in over 100 communities and contacting an estimated 2,000 businesses along the way.

Keichbren will be assisted by Darwin Lambert, Elly, and Elmer W. Shiebold, Emporia, Kansas, vice-president and secretary-treasurer respectively.

State highway 30 will start at highway 93 at Elly, Nev., and thus, bring many tourists through Nevada and Idaho and on to Canada. The project has worked as field director of highway 93 the past year.

\$5,500 Goal Is Set by YWCA of T. F. In Operational Fund-Raising Campaign

A drive to raise \$5,500 for the operation of the Twin Falls chapter of the "Young Women's Christian Association" during the coming year will be launched Sept. 15.

Mrs. Ed—true, drive-chairman, said the estimated budget for the campaign is \$10,000.

YWCA has a Y-Teen club serving teenagers, a Y-Teen group composed of business girls and men 18 to 35 years of age; a Y-Wives group of young mothers; a Y-Parents group; and a community Y-home demonstration class open to all women.

"The YWCA is a place where the girls can meet their friends and where they acquire police and leadership in many activities. The Y-Teen group is composed of young adults of a world wide organization that has a membership of 100,000," Mrs. McCall explained.

The local building is available for parties, club meetings and other social activities.

This year the YWCA is celebrating its centennial birthday. In the 100 years it has grown into one of the largest organizations of women in the world, Mrs. McCall said.

Persons wishing to contribute to the fund may mail a check to YWCA, 308 Second Avenue east, Twin Falls.

The board of directors is composed of Mrs. Dunkin, Mrs. Verne

Melton, Mrs. L. P. Sweet, Mrs. O. G. McCall, Mrs. A. S. Henson, Mrs. Franklin Alworth, Mrs. Ir. Bean, Mrs. Grace Bobler, Mrs. Cecil Faye, Edith Schubert, Mrs. E. O. Oliver, Mrs. O. G. to all Twin Falls business places will be held Monday. A house-to-house campaign will be launched Sept. 15.

The board of directors of the local chapter is composed of 24 women.

Wanted: One Hill For Soap Boxers

Soap box racers and fans are looking for a suitable hill near or in Twin Falls where they can hold races.

The hill must be smooth, free of traffic and with enough incline to allow the soap box to roll down.

Rods, an organization the soap box set has formed, met Saturday for trial runs on the hill need the hill.

But the hill is too slow for them.

President of the organization is Bill Jenkins. Other officers are Bill Anderson, chairman; Mike Brown, treasurer; Lorraine Hansen, Haggard, reporter and publicity chairman.

The next meeting will be held at 7 p.m. Tuesday at the home of Larry Hawes, 21 Blue Lake boulevard north.

ENTHUSIASTIC BRUINS EYE FOOTBALL OPENER THIS FRIDAY

Hilliard Stresses Aggressiveness; Players Are Light

The Twin Falls high school football team, still drilling hard fundamentals, is shaping up for its opening game Friday at Box Elder, Utah. This year's Bruins will be light, but coach Bob Hilliard hopes to field a fast, aggressive team that can run with the wind and the skill to gain. Making no predictions, he is cautious, optimistic about prospects for the season.

Worries about a lack of depth in the offense, particularly at running back, are being alleviated with the return of Glen Potter, who ran well back on last year's team, is the leading contender for a starting berth. Terry Rutherford, sophomore fullback, and Art Southwick, who can play either halfback or quarterback, will supply some strength in the position.

With the return of John H. Miller, who was suspended after his first game, Hilliard is counting on him to handle a large share of the quarterbacking chores in the dual-threat position.

Bothering the Bruins now is a lack of depth at fullback. Wes Jones, regarded as top man for the spot, is qualified, but inadequate. Despite the injury, which kept him from doing much conditioning, he has not missed a night of practice and will be ready to join in the drills with a few days' rest.

Russell Thomas and Larry Cross are looking good in the halfback slots, as are Gary Jenkins and Jimmie Johnson, who have some speed. McClellan and Holloway are two capable sprinting ends, but depth is a problem at this position. Seven players are available, but it may take until mid-season for them to become seasoned hands.

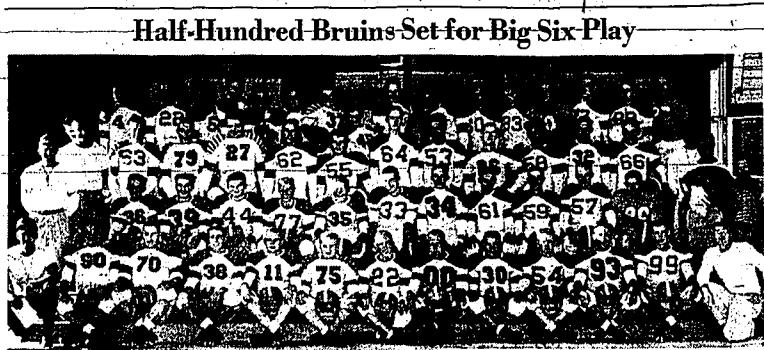

Tom Jones and Herndon will give the Bruins a solid defensive line, while coach Jim Parker and both Bob Shates and Art Hoffmann, two veteran tackles, have sore shoulders, but are expected to be in top shape for the opening game.

Lyle Shockey and Larry Stokes look like top bets for the guard job, with Ken Miller and Johnny Nease to follow. Winters, Brown, Fernandes, and Johnson, of course, are the centers.

Dick Daum, a senior, and Kenneth Ellinger and Neil Dickey, sophomores, are among the top contenders for starting positions in the line.

Officially, Allen's mark was 182.45 miles per hour. That was an average for his two-way trip through the mud along time trap on the glistering aisle.

Mangham's cycle is a 40-inch-class a streamlined Schaller which has a top speed of 180 mph. According to a cycle, the driver must have assistants to keep the vehicle from toppling over because he cannot touch the ground with his feet.

Motorcyclist Claims Record At Bonneville

BONNEVILLE SALT FLATS, Utah, Sept. 3 (UPI)—A streamlined red-and-silver motorcycle roared over western Utah's Bonneville salt flats at 190.70 miles per hour Saturday—a mark claimed to be the fastest ever run by a two-wheeler.

Johnny Allen, Ft. Worth, Tex., rode the cycle which was built by G. (Bobby) Mangham, Smithfield, Tex.

Allen, a determined half-player, is holding down the fullback spot and Steve, a sophomore needs only experience to develop his abilities.

The streamlined cycle is almost completely enclosed in a bullet-shaped metal. The driver sits in a tiny cockpit which has a metal collar around his neck, leaving only his head protruding. When the cycle is stopped, the driver must have assistants to keep the vehicle from toppling over because he cannot touch the ground with his feet.

Meridian Tips Filer 21-0 in Opening Battle

FILER, Sept. 3—Coach Paul Oatyn is pleased with his football team, despite the 21-0 loss at Meridian Friday in the opening game of the season.

"We were up against a pretty sharp ball team and the boys did a good job," the coach commented.

Meridian's win was the sixth in a row. Bill Hickord scored Meridian's first touchdown in the first period, sweeping around left end. Jim Austin, running back, added another.

Petty sneaked across from the one-yard line for Meridian's second tally and a Petty-to-Rockford pass accounted for the third touch.

Filer pushed to the Meridian 20 just before the half ended, but Petty intercepted a pass thrown by Filer's Jim Morrison.

Silently, the Wildcats from Filer showed up well. They gained 85 yards rushing and 31 yards passing.

Meridian's defense was solid. Fullback Jerry Filer had an 11-yard run and Brown, Harter, Hill-Sedal, Donahue, Tamm, and Morrison all had good runs.

The Detroit Lions will play 18 football games this season.

Big Squad Being Readied For Shoshone Grid Opener

SHOSHONE, Sept. 3—Between 45 and 50 candidates are scrambling to get into the Shoshone high school football team this year.

Carl E. Kinney, who stepped up to the head-coach spot this year, has a team of 12 seniors, a junior, a year team, plus a 220-pound transfer student from Filer, fullback Dick Wright.

The Indians, who had a 6-0 record in toppling the Little Big Seven last year with an overall record of seven wins and two defeats, lost 11 letters.

Such students as Fred Platz, leading scorer in the conference; Elvin Webb, Lewis Martindale and John Cameron will not be back this season.

However, Jimina Baugh will be back at center, Arlen Swiford is returning to play tackle and Jimmy Jackson, who was a star at fullback in the end positions, Billy Edens, quarterback, Charles Parks, halfback, and Ronald Terrell, halfback, will be back.

An even dozen freshmen have turned out for practice and coach Kinney says he has "a good turn-out" of sophomore and junior hopefuls.

Shoshone opens against Kunia at 7 p.m. Saturday, Sept. 6. Kickoff will be 7:30 p.m. Matsa plays at Shoshone on Nov. 11, with kickoff at 1 p.m. Unless otherwise noted, games will start at 8 p.m.

Moore Nears Peak, Weighs 189 Pounds

NORTH DAKOTA, N.D., Sept. 3 (UPI)—Lightweight boxer Archie Moore, who will try to lift Rocky Marciano's heavyweight crown at Yankee stadium in New York Saturday, has been training five weeks of training by boxing four rounds each day.

Moore, who weighed 188 pounds after the work out, is in excellent condition, according to his manager, Charley Johnston. He'll probably scale 181 for the title bout.

"We just have to keep him in the ring right now," said Johnston, who has a 10-round boxing box about 20 rounds in the last 12 days of training. His box has now sparred 70 rounds, boxing every day except Thursday.

Holiday Holds No Terror for Stock Market

NEW YORK, Sept. 3 (UPI)—The last day week-end held no terror in the stock market, and the market's only good news was that it was not bad.

The market, which had been on a week-end which might bring it to a standstill or indifferent trade, now normally has some softening of prices. This time, however, the market was moving along, and the market was not so orthodox. The prices moved even though some traders were closing out their positions.

As early as Thursday morning, the industrial component of the average rose to \$242.50, well ahead of the previous high of \$247.50, also on the week-end. And the market, which was at the top of the range, was not far from the Associated Press average of stocks advanced \$1.00 in the last 10 days to \$176.40. This was only \$0.10 below the 30-day high of \$176.50.

But trading was slow, the week ending with not a single million-share volume reaching two million.

Crop 'Scares' Finish in U.S. Grain Market

CHICAGO, Sept. 3 (UPI)—The crop of 1955 which never did cause any spectacular rise in corn and grain prices, came to an end in the middle of the day on the floor of the trade.

Alarms during the forecast of the scare killed the scare. And a private report late in the week indicated very ample crops buried it.

As a result corn and soybean prices declined for the week, soybeans losing the most. They were at \$1.10 a bushel, down from \$1.15 a bushel caged with open when the scare began.

Wheat was when it attracted the attention of the public. Aside from comparatively satisfactory markets in which it acted during the year, some grain analysts thought a possible scare could bring it down to \$2.00 a bushel.

It argued for a price gain with the free market prices below the big postwarheat wheat to tend to compete with corn, which marketing showed fall off. That would relieve the heat of hedging pressure.

Finally inclined trader could do recent history, and the market rallied to the level of the last five months in December when contract closed out in December at a fair price than that which that price before the Labor Day.

In one year of the last five, which the trend was downward, the market closed at a fair price of \$2.25; the final price was \$2.20, a drop cents.

OMAHA, Sept. 3 (UPI)—Cattle compassed last week's close some 10% lower, corn 7 to 7 cents lower and 25 cents lower to 6 cents a pound higher.

Life in MAGIC VALLEY

The army in Korea has truant officers. This coming bit of information came from LaVerne Hughes, former Blaine county superintendent of schools and educational advisor for the local military post army educational program.

Hughes, home on leave from Korea, says officers who are truant are derelict in their duties but are truant from their classrooms in the post education program. In such instances a truant officer, usually a company officer or a major, will investigate to determine why his officer has been playing hooky.

Yester, she said that by leaving the cat buried it would seem as though the animal had disappeared and wasn't dead.

The army education program covers just about everything from first grade through college.

It includes classes for a private agent who is an instructor in private life, to teach a class of my officers," he said. "Ability, not age, is the determining factor in selection."

Hughes, who is a civilian contracted with the army, holds rank equivalent to a major. He already is served one year in Korea and is entitled to get another year per year. During World War II he was a flying instructor in the army at Lewiston.

Just before returning to his post in Korea, Hughes received permission from the Korean army to improve the effectiveness of the Korean army's troop formation and education program.

His suggestion was written in both English and Korean.

While Hughes likes his work he is living in Korea is hard. The country, despite its 4,000-year history, is still backward.

In 1958 positions were first selected rather than assigned and he spent the next 18 years at Hapcheon, Korea, and Seoul, Korea.

H. P. Brooks, Hazelton, Ore., is acting temporary agent here. Francis J. McElroy, Franklin, Ore., has been assigned to the post as adjutant and will arrive in the near future to take over his duties.

Mrs. Ebely has been active in the Rotarians club, serving as chairman of all civic projects during their residence in Hailey.

She has been honored at a party given by Mrs. James Leichter and Mr. R. E. Buttram and Mrs. Claude Schwab and one given by members of the Baptist missionary society.

Junior deputies were organized more than two years ago by Deputy Sheriff Bill Bunn.

Under his leadership the organization has grown to more than 50 members. Members are boys of 8 to 12 years of age but, according to Bunn, there is no age limit for members.

Junior deputies are under the direction of the sheriff's association.

Director of Road Gives Club Talk

HAILEY, Sept. 3—Richard Ransom, national field director for Highway 83, was the guest speaker at the Hailey Lions Club Thursday noon. Leon Friedman was in charge of the program.

Mr. Ransom showed colored slides taken along highway 83 from the northern boundary of Idaho north as far as Calgary, Canada, and south to the Idaho boundary to the Mexican border.

Dr. Grant Hawks made a report on an article taken from the Rotarian magazine. Frank Toverbaugh, a Hailey High School student and school football coach, gave a talk.

Visiting Rotarians attending were Carl Miller, sr., Elkhart, Ind., D. D. Miller, sr., Elkhart, Ind., Carl Miller, Jr., and Fred Moody, Gooding. Anthony Bonin had as his guest his brother, John Bonin, Los Angeles, Calif. Jim McDonald, who was Victor Anderson's Son Valley friend, and Mr. Friedman's guest was George Allen.

Believing the cat was the pet of Mrs. Mrs. Calico, Hailey postmaster, he told her what had happened.

Mrs. Calico went home, picked up the dead animal and, tears in her eyes, laid it out on the ground. Her ground over the animal, wiped away a tear and turned around.

Watching her in a rather pained manner was "Alice," the pet Siamese. For moment Mrs. Calico could hardly believe her eyes. Hadn't just finished burying Susie?

Then the truth dawned upon her. It wasn't her Siamese but her neighbor's cat. The two were so much alike in size and color she had mistaken the dead animal for her Siamese. Mrs. Simpson, who works in KFMRC-TV, was the owner of the dead cat.

Mrs. Calico told Mrs. Orr Simpson, Miss Simpson's mother, what happened and offered to dispose of the pet but Mrs. Simpson re-

jected.

Educator Cited for Efforts

LaVerne Hughes, former Blaine county superintendent of schools, inspects a citation he received recently from the Korean army for his efforts to improve the effectiveness of the Korean army's troop information and education program. Hughes, who has spent a year in Korea, plans to return for another year as soon as his leave is over. (Staff photo-enkaving)

Final Rites Held For B. Geroulas

HAILEY, Sept. 3—Funeral services were held yesterday for Mrs. Bertha Geroulas, who died Tuesday afternoon at the home of her son-in-law and daughter, Mr. and Mrs. Steve Geroulas, 1215 Main St.

The services were under the auspices of the LDS church. Don Peterson gave the opening prayer; Verl Simpson read the obituary; Stanley Geroulas gave the closing prayer and dedicated the grave. All are from Hailey.

Pallbearers were Alex McDonald, George Cutler and Buster Bridger; Morris Howard and William Aikens, Carver, and Clyde Bell, Ketchum.

Interment was in the family plot in the Carey cemetery under the direction of the McGoldrick funeral home.
